

**REMARKS**

Applicant has carefully reviewed and considered the Office Action mailed on January 9, 2008, and the references cited therewith.

Claims 1-30 are canceled, and claims 31-50 are added; as a result, claims 31-50 are now pending in this application.

**35 USC § 101 Rejection of the Claims**

Claims 25-30 were rejected under 35 USC § 101 because the claimed invention is deemed to be directed to non-statutory subject matter. The Applicant submits that the claims were directed to statutory matter. However in order to expedite prosecution of the application, claims 25-30 are canceled without prejudice or disclaimer to the subject matter contained therein. The rejection is therefore moot and accordingly should be withdrawn.

**35 USC § 102 Rejection of the Claims**

Claims 1-30 were rejected under 35 USC § 102(b) as being anticipated by *Riddle* (US Patent No. 5,983,261). The Applicant submits that the claims were patentable over *Riddle*. However in order to expedite prosecution of the application, claims 1-30 are canceled without prejudice or disclaimer to the subject matter contained therein. Claims 31-50 have been added and the Applicant respectfully submits that the new claims are patentable over *Riddle*.

Conclusion

Applicant respectfully submits that the claims are in condition for allowance and notification to that effect is earnestly requested. The Examiner is invited to telephone Applicant's attorney (215-230-5511) to facilitate prosecution of this application.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 50-4238.

Respectfully submitted,

CHET R. DOUGLAS

By his Representatives,
